**Singapore Table Tennis Association (STTA) leads Team Singapore paddlers to give back to the community**

The STTA will be working with the Community Switchboard to serve the elderly citizens living in public rented flats within the Jalan Kukoh (near Chinatown) community.

Through this project, Team Singapore paddlers will be distributing goodie bags and engage the elderly residents with good conversations at their home.

This is a yearly community outreach before our paddlers' departure to the Liebherr 2018 World Table Tennis Championships, Halmstad 29 April – 6 May 2018. The World Table Tennis Championships is the biggest and most prestigious table tennis event in the world, with all the world's best table tennis players competing for history!

We are pleased to share that the following paddlers will be representing Singapore in the upcoming Liebherr 2018 World Table Tennis Championships: Gao Ning, Pang Xue Jie, Ethan Poh, Beh Kunting, Tan Lucas, Yu Mengyu, Lin Ye, Pearlyn Koh, Zhang Wanling and Feng Tianwei.

We would like to cordially invite your reporters and photographers to the event on Sunday, 22 April 2018 at 9.30am at Blk 10 Jln Kukoh, #04-55, Singapore 162010.
