STTA OPENS ANOTHER ZONE TRAINING CENTRE

The STTA is proud to announce that we are launching another zone training centre at the Jurong West Sports Hall. With the new set up, we hope that children living in the west will get to benefit from the programme.

“The Singapore Table Tennis Association (STTA) is sparing no effort in producing champions of tomorrow. We hope that through the STTA’s current zone training centres at Bishan, Tampines, Clementi, Yishun Toa Payoh and now Jurong West, we will be able to groom many more local talents like Isabelle and Pang Xue Jie to bring more glory for Singapore,” says Er.Dr. Lee Bee Wah, Member of Parliament for Nee Soon GRC & President STTA.

The STTA zone training centres are instrumental in strengthening the process of discovering and nurturing young and potential talents in a structured and sustainable manner and the zone training centre at Jurong West can accommodate up to 40 youth paddlers.

We would like to invite you and your photographer to the launch of the STTA zone training centre at Jurong West Sports Hall.
