Dear Sir/ Madam,

FRIENDS OF SINGAPORE TABLE TENNIS ASSOCIATION (STTA)

The STTA is committed to its mission: To develop world class table tennis players by identifying, nurturing and motivating aspiring table-tennis talents to become the best that they could be. The emphasis on youth development at the STTA has never been greater and a key goal for STTA is to identify and groom talented athletes from a very young age. In 2009, the STTA started the early introduction of table tennis to PCF kindergartens. Currently, the STTA-PCF table tennis programme has expanded to 33 constituencies, reaching out to more than 1,000 promising children.

Talented and promising players from the pre-school programmes are invited to join the association's zone training centres at Bishan, Pasir Ris, Toa Payoh, Yishun, Clementi, Bedok Reservoir-Punggol and Jurong West for intensive training. The zone training centres are instrumental in strengthening the process of discovering and nurturing young and potential players in a more structured and sustainable manner. And the STTA is committed to increase the number of zone training centres, if the demand of the sport continues to grow.

Furthermore, we have plans to expand our pre-school table tennis programme to childcare centres and other kindergartens island wide as part of our outreach programme to children to get them learn the sport of table tennis from a very young age.

Therefore, your donations will go towards the operating costs and creating awareness programmes which will in turn groom more young talent which will help the growth of the sport.

We are pleased to acknowledge the "Friends of STTA" on our STTA website for a calendar year and your donation will be given a tax exempt receipt.

We have attached a copy of the reply slip for your kind attention. Kindly complete the reply slip and return to us. Should you require any other information, please contact STTA staff, Ms Laura Wong at Tel: 6354 1014 or email: laura_wong@stta.org.sg
