WELCOME BACK

The National paddlers will be returning home on Sunday, 18 March 2012 via China Airlines 757 at 5.55pm with new found confidence after creating sporting history at the Asian Championships.

At the Asian Championships, Gao Ning and Yang Zi created history by winning the men's double title and this is Singapore's first title since 1954. To date, this is the Republic's best medal haul at the Asian Championships; our team scored a total of 1 Gold, 3 Silvers (Women's Team, Women's Doubles and Mixed Doubles events).

Please come and join us with your photographer in welcoming the national paddlers back.
