MEDIA RELEASE

Table Tennis: Singapore youth paddler, Izaak Quek claimed three titles at World Table Tennis (WTT) Youth Contender Antalya

In the WTT Youth Contender Antalya, Singaporean young table tennis player Izaak Quek clinched his third title yesterday (26 March). Quek emerged victorious in the U19 boys' singles final, securing a 3-0 win over Navid Shams of Iran.

Quek said, "I am delighted with how I performed in Antalya, despite playing 17 matches over four hectic days. After competing in the Singapore smash, I had to quickly adjust my game as the two tournaments are vastly different, with Singapore smash having a more spaced-out schedule of one match every two days, whereas Antalya had me playing around 4-5 matches daily. It was incredibly demanding on me mentally, but I am thrilled that I was able to maintain my performance levels."

Quek also claimed the U17 boys' singles title and U19 mixed doubles title with his compatriot Zhou Jingyi over the past few days.

Boys' Singles U19 (Results)
