

Dear Donor

Singapore Table Tennis Association (STTA) Fund Raising Golf on Thursday, 24 July 2025 at Warren Golf and Country Club

On behalf of the Singapore Table Tennis Association (STTA), we extend our warmest greetings to you!

We are delighted to invite you to support our **STTA Fundraising Golf Event on Thursday, 24 July 2025**, at **Warren Golf and Country Club**.

Through this event, we aim to secure \$400,000 to elevate the high performance of our athletes and strengthen the pipeline for sustained podium success at the highest levels of competition.

The funds raised will contribute to the **One Team Singapore Fund**, supporting key initiatives such as:

- **Pathway Development for Team Singapore Athletes** – Ensuring a structured progression for future champions.
- **High-Performance Sports System** – Enhancing training and competition opportunities both locally and internationally.

Our Achievements Since the Last Fundraising in 2022

Thanks to the generous contributions from our supporters, we have achieved several milestones:

- **Making History on the International Stage** – Izaak Quek, 18, became the youngest Singaporean male and youngest local-born player to qualify for the **Paris 2024 Olympics**, while Zhou Jingyi, 19, became the youngest local-born Singaporean female to qualify and the first local-born player to compete in the Singles Event at the Olympic Games. Additionally, Izaak Quek and Koen Pang broke Singapore's 11-year medal drought in Men's Doubles by securing silver at the **27th ITTF-Asian Table Tennis Championships**, becoming the first local-born pair to achieve this feat.
- **Continued Excellence at Major Games** – At the **2023 SEA Games in Cambodia**, Singapore emerged as the top-performing nation in table tennis, clinching four Gold, two Silver, and three Bronze medals. A standout moment was Izaak's triple gold medal haul, alongside the Men's Team reclaiming the gold medal for the first time since 2015.
- **Strengthening Athlete Development Programmes** – Our **Zone Training Centres** and **Junior Development Squad** initiatives have successfully identified and nurtured a new generation of promising players. With a structured talent pipeline in place, we are ensuring a continuous flow of elite talent ready to represent Singapore on the global stage.
